Capnia shall return to Distributor, freight prepaid, all repaired or replaced Products properly rejected by Distributor.

13. PRODUCT CHANGES

Capnia reserves the right from time to time in its sole discretion, without incurring any liability to Distributor with respect to any previously placed purchase order, to discontinue or to limit its production of any Product; to allocate, terminate or limit deliveries of any Product in time of shortage; to alter the design or construction of any Product; to add new and additional products to the "Products," to change its sales and distribution policies, not inconsistent with the terms of this Agreement and not without first providing ninety (90) days' notice to the Distributor. Capnia shall also have the right, in its sole and absolute discretion to announce new products to which the terms and conditions of this Agreement do not apply. The parties may mutually agree in writing to add such new products to this Agreement from time to time.

14. FORECASTS

By the end of the first week of each quarter, Distributor shall provide Capnia with a good faith six (6) month rolling forecast (See Exhibit C) commencing with the next calendar quarter showing Distributor's prospective requirements for the Products and anticipated purchase order submittal dates, including all sales and business prospects, in such format as specified by Capnia ("Forecast"). Forecasts shall commence on the first day of the quarter (July, October, January & April) following submission of the Forecast to Capnia. Distributor shall use commercially reasonable efforts to ensure that its Forecasts are as accurate as possible and its orders do not significantly deviate from the Forecasts. Forecasts are for Capnia's planning purposes only and shall not constitute a binding obligation on the part of Capnia to supply Products in accordance with such Forecasts, nor shall Forecasts constitute firm purchase orders by Distributor.

15. LIMITED WARRANTY

15.1 Limited Warranty. Subject to the provisions of this Section 15, each Product is sold to Distributor subject to the limited warranty as stated in Exhibit E hereto. Capnia shall not be liable for misbranding with respect to any Product labeling or package insert text provided or used by Distributor or any translation thereof, and Capnia shall not be liable for any adulteration or failure to meet the Product specifications due to handling or packaging of the Products by Distributor, its employees or its agents.

15.2 DISCLAIMER OF WARRANTIES. EXCEPT AS EXPRESSLY PROVIDED IN SECTION 15.1 ABOVE, TO THE EXTENT PERMITTED UNDER APPLICABLE LAW, THE PRODUCTS ARE PROVIDED TO DISTRIBUTOR ON AN "AS IS" BASIS AND WITHOUT WARRANTY OF ANY KIND, AND CAPNIA MAKES NO WARRANTIES OR CONDITIONS, EXPRESS, STATUTORY, IMPLIED, OR OTHERWISE AND SPECIFICALLY DISCLAIMS THE IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Notwithstanding the foregoing, Capnia does not exclude liability to the extent that such liability may not be excluded or limited by law.

15.3 OEM Limitations. Except to the extent required by applicable law, Distributor shall not pass on to its customers a warranty of greater scope or protection than the warranty (including the limited remedy, exclusions, and limitation of liability) set forth in Section 15.1. Capnia is not liable for any warranty obligations beyond that specified in Exhibit E.

15.4 Product Returns. In order to return Product that fails to conform to the foregoing warranty set forth in this Section 15, Distributor shall (i) notify Capnia in writing that such Product failed to conform with the warranty set forth in this Section 15 and furnish a detailed explanation of any alleged nonconformity, as required by Capnia's then-current policy; (ii) obtain a RMA

(Return Materials Authorization) number for the nonconforming Product from Capnia (if applicable); and (iii) within ten (10) days of receipt of the RMA number, return such Product to Capnia as specified by Capnia with the RMA number prominently attached, shipped into the custody of Capnia's designee or to Capnia's Head Office facility address first set forth above or such other location as Capnia may designate in writing in each case during the Warranty Period.

16. TERM AND TERMINATION

16.1 Term. This Agreement shall commence upon the Effective Date and continue in full force and effect until February 1, 2019, and shall terminate on that date unless earlier terminated in accordance with the provisions of this Agreement or unless extension of the Agreement is agreed to in writing by both parties. Capnia or Distributor may terminate this Agreement for any reason without cause with sixty (60) days written notice to the other Party.

16.2 Termination for Cause. Either party may terminate this Agreement effective upon written notice to the other party stating its intention to terminate in the event the other party breaches any of the provisions of this Agreement. Without limiting the foregoing, either party may terminate this Agreement effective upon written notice to the other party stating such party's intention to terminate, if the other party:

- (i) Ceases to function as a going concern or to conduct operations in the normal course of business or enters into any composition proceedings, or
- (ii) has a petition filed by or against it under any bankruptcy or insolvency law, for example and not for limitation a Petition for Winding Up the party, which petition has not been dismissed or set aside within ten (10) days of its filing; or
- (iii) is acquired by or merged into another corporation, or more than 25% of such party's personnel charged with performing the duties specified by this Agreement on the effective date of this Agreement are no longer directly performing these duties; or
- (iv) Fails to perform any of its obligations under this Agreement so as to be in default hereunder and in the case of any obligation in respect of which the default is capable of being cured fails to cure such default within thirty (30) days after written notice of such default.

16.3 Purchase Orders; No Waiver. Distributor shall be obligated for payment of Products for which purchase orders were accepted by Capnia prior to the effective date of termination. After any notice of termination has been delivered by either party hereunder, orders for Product not yet shipped by Capnia are subject to cancellation at Capnia's sole option and, if not cancelled, unless otherwise agreed by Capnia, shall require prepayment by Distributor to Capnia. Capnia reserves the right to withhold shipment of Product after Distributor suffers an event in

Transfer and Distribution Agreement: United States of America Territory

Section 16.2(ii), above. The acceptance of any purchase order from, or the sale or license of any Product, to distribute after the termination or expiration of this Agreement shall not be construed as a renewal or extension of this Agreement nor as a waiver of termination of this Agreement. Unless otherwise mutually agreed by the parties, Distributor shall have sixty (60) days following the expiration or termination of this Agreement to continue to distribute any Products in Distributor's inventory. Capnia may also elect to repurchase unused (brand new) Products that have been purchased by Distributor within thirty (30) days of notification of termination or of expiration at the Price paid by Distributor, less a 20% restocking fee. Except as otherwise permitted in this Section 16.3, all rights and licenses of Distributor hereunder shall automatically be terminated.

16.4 **No Liability for Termination.** Except as expressly required by law, in the event of termination of this Agreement by either party in accordance with any of the provisions of this Agreement, neither party shall be liable to the other because of such termination, including but not limited to compensation, reimbursement or damages on account of the loss of prospective profits or anticipated sales or goodwill, or on account of any expenditures, inventory, investments, leases or other commitments including hiring of personnel, in connection with the business of Capnia or Distributor. Distributor acknowledges that its profit margins derived on resale of Products pursuant to this Agreement have induced Distributor to enter into and perform this Agreement and that such profits constitute good, sufficient and valuable consideration for its duties and obligations hereunder. Termination shall not, however, relieve either party of obligations incurred prior to the termination, and nothing in this Section 16.4 shall relieve Distributor of any liability for willful misconduct, gross negligence, or breach of contract.

16.5 **Return of Materials.** All Products, trademarks, marks, trade names, patents, copyrights, domain names, web sites and social network sites, and any Customer information not yet provided to Capnia under Section 3, designs, drawings, formulas or other data, photographs, samples, literature, and sales and promotional aids of every kind shall remain the property of Capnia and be maintained in useful condition after termination date. Within thirty (30) days after the effective date of termination of this Agreement, Distributor shall at Capnia's option destroy all tangible items bearing, containing, or contained in, any of the foregoing, in its possession or control and provide written certification of such destruction, or prepare such tangible items for shipment to Capnia or Capnia's designee, as Capnia may direct, at Capnia's expense. Distributor shall not make or retain any copies of any Confidential Information (as defined in Section 17 below), which may have been entrusted to it.

16.7 **Termination Due to Government Act.** Notwithstanding anything to the contrary, this Agreement terminates automatically, without requiring any further act of either party, on the day prior to the effective date of any legislation, act, decree, ordinance, judicial decision, judgment or other

governmental act ("Government Act") which would make illegal any action necessary for performance hereunder, or which would place any criminal or civil sanction on a party as a result of performing any action hereunder.

16.8 **Survival.** The provisions of Sections 1, 3.13, 2.2, 6, 7, 15, 16.3, 16.4, 16.5, 16.8, 17, 18, 19.2, 20, and 22 shall survive termination or expiration of this Agreement. All other provisions of this Agreement shall terminate.

17. CONFIDENTIALITY AND PROPRIETARY RIGHTS

17.1 **Confidentiality.** Distributor acknowledges that by reason of its relationship to Capnia hereunder it will have access to certain product, technical, marketing, financial, business or other proprietary information, including materials concerning Capnia's business, plans, Customers, technology, and Products including software code contained in Products, which are confidential and of substantial value to Capnia, which value would be impaired if such information were disclosed to third parties ("Confidential Information"). Confidential Information shall include any information that would reasonably be considered to be confidential or proprietary due to the circumstances of disclosure or by the nature of the information itself. Without limiting the foregoing, the terms of this Agreement shall be considered Capnia's Proprietary Information. For the term of this Agreement and for seven (7) years thereafter, Distributor agrees that it will not use in any way for its own account or the account of any third party, nor disclose to any third party, any Confidential Information revealed to it by Capnia or made available to Distributor as a result of having possession of Products. Distributor shall take every reasonable precaution to protect the confidentiality of Confidential Information. Upon request by Distributor, Capnia shall advise whether or not it considers any particular information or materials to be confidential. Distributor shall not publish any technical description of the Products beyond the description published by Capnia. Upon request of Capnia, Distributor shall cause its employees, agents and other representatives who may have access to Capnia's Confidential Information, to sign agreements prohibiting the disclosure and use of the Confidential Information consistent with the terms of this Agreement. In the event of termination of this Agreement, there shall be no use or disclosure by Distributor of any Confidential Information of Capnia and Distributor shall not manufacture or have manufactured any devices, components or assemblies utilizing any of Capnia's confidential information. Distributor shall use reasonable efforts to protect Capnia's confidential materials. Without limiting the foregoing, Distributor shall take at least those measures that it employs to protect its own confidential information of a similar nature and shall ensure that its employees who have access to Confidential Information of Capnia have signed a non-use and non-disclosure agreement in content at least as protective of Capnia and its Confidential Information as the provisions of this Agreement, prior to any disclosure of Capnia's Confidential Information to such employees. Distributor shall reproduce Capnia's proprietary rights notices on any such authorized copies in the same manner in which such notices were

Transfer and Distribution Agreement: United States of America Territory

set forth in or on the original. Distributor shall promptly notify Capnia of any unauthorized use or disclosure, or suspected unauthorized use or disclosure, of Capnia's Confidential Information of which Distributor becomes aware.

17.1.1 **Limitations on Confidentiality.** Notwithstanding the foregoing, Confidential Information shall not include information that: (i) was publicly known or made generally available without a duty of confidentiality prior to the time of disclosure by Capnia to Distributor as can be shown by contemporaneous written documentation; (ii) becomes publicly known or made generally available without a duty of confidentiality after disclosure by Capnia to Distributor through no action or inaction by Distributor; (iii) is in the rightful possession of Distributor without confidentiality obligations at the time of disclosure by Capnia as shown by Distributor's then-contemporaneous written files and records kept in the ordinary course of business; or (iv) is obtained by Distributor from a third party without an accompanying duty of confidentiality without a breach of such third party's obligations of confidentiality. In the event Distributor is legally compelled to disclose Confidential Information, Distributor shall provide notice as soon as is reasonably practicable to Capnia, if legally permissible; shall provide reasonable assistance to Capnia to obtain a protective order or otherwise prevent public disclosure of such Confidential Information; and shall furnish only that portion of the Confidential Information that is legally required to be disclosed.

17.2 **Proprietary Rights.** Distributor agrees that Capnia retains all of its right, title and interest in and to all MAA Approvals in the Territory and all patent rights, trademarks, trade names, inventions, copyrights, know-how and trade secrets relating to the Products or the product lines that include the Products, and the design, manufacture, operation or service of the Products. The use by Distributor of any of these property rights is authorized only for the purposes herein set forth and upon termination of this Agreement for any reason such authorization will cease. Accordingly, Distributor shall not (i) modify any Product or documentation Capnia provides to Distributor without the prior written approval of Capnia or (ii) reverse engineer, decompile, or disassemble any Product, or encourage or assist any third party in doing so. Distributor shall not (and shall require that its Customers do not) remove, alter, cover or obfuscate any proprietary rights notices placed or embedded by Capnia on or in any Product. Distributor shall not apply to register any proprietary rights covered by the Products in its own name.

18. INDEMNIFICATION AGAINST PATENT, COPYRIGHT, TRADEMARK INFRINGEMENT AND PRODUCT LIABILITY

18.1 **Indemnity.** Distributor agrees that Capnia has the right to defend, or at its option to settle, and Capnia agrees, at its own expense, to defend or at its option to settle, any third party claim, suit or proceeding (collectively, "Action") brought

against Distributor alleging the Products infringe any patent, copyright or trademark in existence as of the Effective Date, subject to the limitations hereinafter set forth. Capnia will have sole control of any such Action or settlement negotiations, and Capnia agrees to pay, subject to the limitations hereinafter set forth, any final judgment entered against Distributor on such issue in any such Action defended by Capnia. Distributor agrees that Capnia will be relieved of the foregoing obligations unless Distributor notifies Capnia promptly in writing of such Action, gives Capnia authority to proceed as contemplated herein, and gives Capnia proper and full information and assistance to settle and/or defend any such Action. If it is adjudicatively determined, or if Capnia believes, that the Products, or any part thereof, infringe any patent, copyright or trademark, or if the sale or use of the Products, or any part thereof, is, as a result, enjoined, then Capnia may, at its election, option, and expense: (i) procure for Distributor the right under such patent, copyright or trademark to sell or use, as appropriate, the Products or such part thereof; or (ii) replace the Products, or part thereof, with other non-infringing suitable Products or parts; or (iii) suitably modify the Products or part thereof; or (iv) remove the Products, or part thereof, terminate distribution or sale thereof and refund the payments paid by Distributor for such Products less a reasonable amount for use and damage. Capnia will not be liable for any costs or expenses incurred without its prior written authorisation, or for any installation costs of any replaced Products.

18.1.1 **Limitations.** Notwithstanding the provisions of Section 18.1, Capnia has no liability to Distributor for (i) any infringement of patent or copyright claims alleging infringement by completed equipment or any assembly, combination, method or process in which any of the Products may be used but not covering the Products standing alone; (ii) any trademark infringements involving any marking or branding not applied by or requested by Capnia, or involving any marking or branding applied by Capnia at the request of Distributor; or (iii) the modification of the Products, or any part thereof, unless such modification was made by Capnia, where such infringement would not have occurred but for such modifications.

18.1.2 Disclaimer. CAPNIA'S LIABILITY ARISING OUT OF OR RELATING TO SECTIONS 18.1 and 18.1.1 SHALL NOT EXCEED THE AGGREGATE AMOUNTS PAID BY DISTRIBUTOR TO CAPNIA FOR THE ALLEGEDLY INFRINGING PRODUCTS THAT ARE THE SUBJECT OF THE INFRINGEMENT CLAIM. THE FOREGOING PROVISIONS OF THIS SECTION 18 STATES THE ENTIRE LIABILITY AND OBLIGATIONS OF CAPNIA AND THE EXCLUSIVE REMEDY OF DISTRIBUTOR AND ITS CUSTOMERS, WITH RESPECT TO ANY ALLEGED PATENT, COPYRIGHT OR TRADEMARK INFRINGEMENT BY THE PRODUCTS OR ANY PART THEREOF.

18.2 **Product Liability Indemnification - Capnia.** Capnia shall at its own expense indemnify and hold harmless Distributor and its directors, officers, employees and agents, from and against

Transfer and Distribution Agreement: United States of America Territory

third party claims for actual losses or damages, liabilities, penalties, demands, suits or actions, and related costs and expenses (including, without limitation, Distributor's reasonable out-of-pocket expenses of investigation and recall, counsel fees, judgments and settlements) for injury to or death of any person or property damage or any other loss suffered or allegedly suffered by any person or entity and arising out of or otherwise in connection with any defect or alleged defect of the Products as sold by Capnia to Distributor under this Agreement (the "Claim"). Capnia will have sole control of any such Claim or settlement negotiations. Distributor agrees that Capnia will be relieved of the foregoing obligations unless Distributor notifies Capnia promptly in writing of such Claim, gives Capnia authority to proceed as contemplated herein, and gives Capnia proper and full information and assistance to settle and/or defend any such Claim.

19. USE OF CAPNIA TRADEMARKS/TRADE NAMES

19.1 Trademarks. Capnia, at its expense, shall seek registration of appropriate Capnia trademarks in the Territory. During the term of this Agreement, Distributor shall have the right to indicate to the public that it is an authorised Distributor of the Products and to advertise such Products under applicable trademarks, marks, and trade names of Capnia set forth in Exhibit E ("Capnia's Trademarks") and in the promotion and distribution of the Products; provided, however, that upon ninety (90) days prior written notice to Distributor, Capnia may substitute alternative marks for any or all of the Capnia's Trademarks. All representations of Capnia's Trademarks that Distributor intends to use shall first be submitted to Capnia for approval (which shall not be unreasonably withheld) of design, colour and other details or shall be exact copies of those used by Capnia. In addition, Distributor shall fully comply with all reasonable guidelines, if any, communicated by Capnia concerning the use of Capnia's Trademarks.

19.2 Trademark Use. Distributor shall not alter or remove any of Capnia's Trademarks affixed to the Products by Capnia or otherwise engage in any activity that would adversely affect the name, reputation, or goodwill of Capnia or the Products. Except as set forth in this Section 19, nothing contained in this Agreement shall grant or shall be deemed to grant to Distributor any right, title or interest in or to Capnia's Trademarks. All uses of Capnia's Trademarks will inure solely to Capnia and Distributor shall obtain no rights with respect to any of Capnia's Trademarks, other than the right to distribute Products as set forth herein, and Distributor irrevocably assigns to Capnia all such right, title and interest, if any, in any of Capnia's Trademarks. At no time during or after the term of this Agreement (except to the extent expressly disallowed by applicable law) shall Distributor challenge or assist others to challenge Capnia's Trademarks or the registration thereof or attempt to register any trademarks, marks or trade names confusingly similar to those of Capnia, nor use any Capnia trademark as a business name, nor form a company whose name incorporates any Capnia trademark. Upon termination of this

Agreement, Distributor shall immediately cease to use all Capnia's Trademarks and any listing by Distributor of Capnia's name in any telephone book, directory, public record or elsewhere, shall be removed by Distributor as soon as possible, but in any event not later than the subsequent issue of such publication.

20. LIMITATION OF LIABILITY AND DISTRIBUTOR / OEM INDEMNITY

20.1 No Consequential Damages. NOTWITHSTANDING ANY TERMS OF THIS AGREEMENT, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR LOST PROFITS, COST OF PROCUREMENT OF SUBSTITUTE GOODS, OR ANY OTHER SPECIAL, RELIANCE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES INCURRED BY THE OTHER PARTY, HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY WHETHER BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE. THE FOREGOING LIMITATIONS SHALL APPLY REGARDLESS OF WHETHER SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY STATED HEREIN.

20.2 Distributor / OEM Indemnity. Distributor shall at its own expense indemnify and hold harmless Capnia and its directors, officers, employee and agents, from and against any and all third party claims, other than product liability claims referred to in Section 18.2, for losses, actual damages liabilities, penalties, suits or actions, and related reasonable costs and expenses (including, without limitation, Capnia's expenses of investigation and recall, counsel fees, judgments and settlements) for any injury to or death of any person or property damage or other actual loss suffered by any person or entity and arising out of or resulting from the negligence, misconduct, bad faith, misrepresentation, false claim, failure to act or to refrain from acting where required to act, unauthorised repair or alteration of any Product, and the like of or by Distributor and its agents, employees, officers, directors, shareholders, partners (collectively, such claims, etc., referred to herein as "Damages Claim"), it being clearly acknowledged, understood and agreed that Distributor shall be held strictly liable for its conduct and shall fully indemnify Capnia from any Damages Claim as stated herein.

21. COMPLIANCE WITH LAWS

21.1 Laws and Regulations. Distributor agrees to comply with appropriate provisions of applicable laws and regulations relating to distribution of Products in the Territory. In addition Distributor will use reasonable best efforts to comply with other laws and regulations of regulatory bodies of which it is aware that relate to distribution of Products in the Territory. Distributor shall monitor the appropriate information sources closely for changes in such applicable laws, and other requirements in the Territory relating to the distribution of Products in the Territory, and notify Capnia promptly in writing of any and all such changes.

Transfer and Distribution Agreement: United States of America Territory

21.2 Local Laws. The Distributor represents that it is and will remain in good standing in the Territory and will comply with local laws and regulations.

21.3 U.S. Foreign Corrupt Practices Act. Distributor warrants that in the performance of its obligations under this Agreement, Distributor will not act in any fashion or take any action which will render Capnia liable for a violation of the U.S. Foreign Corrupt Practices Act (“FCPA”), which prohibits the offering, giving or promising to offer or give, directly or indirectly, money or anything of value to any official of a government, political party or instrumentality thereof in order to assist Distributor or Capnia in obtaining or retaining business. Capnia shall have the right to immediately terminate this Agreement should Distributor make any payment which would violate the U.S. FCPA. Distributor shall indemnify and hold Capnia harmless, and hereby forever releases and discharges Capnia, from and against all losses, liabilities, damages and expenses (including reasonable attorneys’ fees and costs) resulting from Distributor’s breach of this Section 21.3.

21.4 Audits. Capnia reserves the right for it or its representatives to audit Distributor and to inspect Distributor’s facilities to confirm compliance with the obligations of this Agreement once a year, or at a frequency which is reasonably needed by Capnia to comply with applicable laws.

22. MISCELLANEOUS PROVISIONS

22.1 Independent Contractors. The relationship of Capnia and Distributor established by this Agreement is that of independent contractors, and neither party is an employee, agent, or partner of the other. No joint venture or agency relationship between the parties, whether expressed or implied, is created by this Agreement. All financial obligations associated with Distributor’s business are the sole responsibility of Distributor. Distributor hereby represents that it is a “going concern,” is legally incorporated, and complies with relevant Territory laws with respect to tax, social security, and the like, applicable to its employees. All sales and other agreements between Distributor and its customers are Distributor’s exclusive responsibility and will have no effect on Distributor’s obligations under this Agreement. Distributor shall be solely responsible for, and shall indemnify and hold Capnia free and harmless from, any and all claims, damages or lawsuits (including Capnia’s attorneys’ fees) arising out of the acts of Distributor, its employees or its agents.

22.2 Assignment. Distributor may not transfer or assign its rights or obligations (including sub-distributor rights) under this Agreement without the prior written consent of Capnia; provided, however, that Distributor shall have the right to appoint sub distributors for the distribution of Products in the Territory in accordance with Section 2.1. Subject to the foregoing sentence, this Agreement will be binding upon and inure to the benefit of the parties hereto, their successors and assigns. Successors of Capnia shall include any party which acquires Capnia or into which Capnia merges.

22.3 No Implied Waivers. The failure of either party at any time to require performance by the other of any provision hereof shall not affect the right of such party to require performance at any time thereafter, nor shall the waiver of either party of a breach of any provision hereof be taken or held to be a waiver of a provision itself.

22.4 Severability. If any provision of this Agreement is held to be invalid by a court of competent jurisdiction, then the remaining provisions will nevertheless remain in full force and effect. The parties agree to renegotiate in good faith those provisions so held to be invalid to be valid, enforceable provisions which provisions shall reflect as closely as possible the original intent of the parties, and further agree to be bound by the mutually agreed substitute provision.

22.5 Force Majeure. Except for payment of monies, neither party shall be liable for failure to fulfil its obligations under this Agreement or any purchase order issued hereunder or for delays in delivery due to causes beyond its reasonable control, including, but not limited to, acts of God, man-made or natural disasters, earthquakes, fire, riots, flood, material shortages, strikes, delays in transportation or inability to obtain labour or materials through its regular sources. The time for performance of any such obligation shall be extended for the time period lost by reason of the delay. In the event of excess demand for Products, Capnia may allocate the supply of Products among its customers in the manner it deems most appropriate.

22.6 Conflicting Terms. The parties agree that the terms and conditions of this Agreement shall prevail, notwithstanding contrary or additional terms, in any purchase order, sales acknowledgment, confirmation or any other document issued by either party effecting the purchase and/or sale of Products, unless the parties agree otherwise in writing. This Agreement is in the English language only, which language shall be controlling in all respects, and all versions hereof in any other language shall not be binding on the parties hereto.

22.7 Headings. Headings of paragraphs herein are inserted for convenience of reference only and shall not affect the construction or interpretation of this Agreement.

22.8 Applicability of Terms. The provisions of this Agreement under which the liability of Capnia is excluded or limited shall not apply to the extent that such exclusions or limitations are declared illegal or void under the laws applicable in the Territory in which Products are sold, unless the illegality or invalidity is cured under the Territory governing laws.

22.9 Notice. All communications and notices to be made or given pursuant to this Agreement shall be in the English language. Any notice required or permitted to be given under this Agreement shall be delivered (i) by hand, (ii) by registered or certified mail, postage prepaid, return receipt requested, to the address of the other party first set forth above, or to such other address as a party may designate by written notice in accordance with this Section 22.9, (iii) by overnight courier, or (iv) by fax

with confirming letter mailed under the conditions described in (ii) above. Notice so given shall be deemed effective when received, or if not received by reason of fault of addressee, when delivery is confirmed.

22.10 Entire Agreement. This Agreement contains the entire understanding of the parties with respect to the subject matter hereof and supersedes all prior agreements relating thereto, written or oral, between the parties. Amendments to this Agreement must be in writing, signed by the duly authorised officers of the parties.

22.11 Governing Law. This Agreement shall be governed by and construed under the laws of the State of California.

22.12 Arbitration. Any dispute or claim arising out of or in relation to this Agreement, or the interpretation, making, performance, breach or termination thereof, shall be finally settled by binding arbitration under Commercial Arbitration rules as presently in force in the jurisdiction whose governing law applies ("Rules") and by a sole arbitrator appointed in accordance with said Rules. Judgment on the award rendered may be entered in any court of the Territory having jurisdiction thereof. The place of arbitration shall be agreed upon by both parties if applicable. Any monetary award shall be in USD and the arbitration shall be conducted in the English language. The parties may apply to any court of competent jurisdiction for temporary or permanent injunctive relief, without breach of this Section 22.12 and without any abridgment of the powers of the arbitrator. The prevailing party at any such arbitration or in any legal proceeding brought to enforce terms of this Agreement shall be entitled to an award of attorney's fees and other costs of such arbitration or proceeding.

22.13 Quality Control – at Manufacturing

It is understood that Capnia and its manufacturing site will maintain all Quality systems in place and required certificates to enable the sale of all products in the global market. Where standards or certificates have not been obtained Capnia will apply for the necessary documentation for authorisation.

For "Capital Goods Purchase" Standard warranty is for 2 years after the date of initial shipment to Purchaser of the Product. Additional years of warranty up to five years after date of purchase of "Capital Goods Purchases" may be purchased by the Distributor as an accessory item, for the Product list of Exhibit A.

Warranted Product is defined as all Capnia Products, unless specifically accepted on the "Products" list of Exhibit A.

Distributor is responsible for providing warranty service and replacement directly to the customers in its territory, guided by terms and conditions specified by Capnia, but subject to the standard practices and customer service objectives of the distributor. Capnia's only obligations under this limited warranty are limited to repair or replacement, at Capnia's option and election according to its terms and conditions specified for each "Product", of any Warranted Product (or part thereof) that Capnia reasonably determines to be covered by its limited warranty. Only returns or repairs authorized by an RMA number issued by Capnia to a Distributor are covered. Repair or replacement of Products under this limited warranty does not extend the Warranty Period on replacement goods sold to a distributor.

To request repair or replacement under this limited warranty, Distributors outside the United States should contact the Capnia customer service contact to determine if the Product is potentially replaceable or repairable under the terms and conditions of the warranty. If, on the basis of the information provided by Distributor, Capnia reasonably believes that the Warranted Product is covered by this limited warranty, Capnia will authorize Distributor (with an RMA number) to return the Warranted Product (or part thereof) to Capnia or its authorised service centre. Capnia shall determine whether to repair or replace Warranted Products and parts covered by this warranty. All returned Warranted Products or parts shall become the property of Capnia until such time the repaired or replaced product is shipped to the distributor. In the course of warranty service, Capnia may, but shall not be required to, make engineering improvements to the Warranted Product or part thereof.

SHIPPING PROCEDURES

If Capnia reasonably determines that a repair or replacement is covered by the warranty, Capnia shall bear the costs of shipping the loaner Product and the repaired or replacement Product to the Distributor. All other shipping costs shall be borne by Distributor. Risk of loss or damage during shipments under this warranty shall be borne by the party shipping the Product.

Products shipped by the Purchaser under this warranty shall be suitably packaged to protect the Product. If Purchaser ships a product to Capnia in unsuitable packaging, any physical damage present in the Product on receipt and inspection by Capnia (and not previously reported) will be presumed to have occurred in transit and will be the responsibility of the Purchaser.

EXCLUSIONS

This warranty does not extend to any Warranted Products or parts thereof: (a) that have been subject to misuse, neglect or accident, (b) that have been damaged by causes external to the Warranted Product, (c) that have been used in violation of Capnia's instructions for use, (d) that have been attached to any accessory or attachment that has not been subject to Capnia's control over quality of materials and design, (e) on which the serial number has been removed or made illegible, or (f) that have been modified by anyone other than Capnia or its authorised service centre, unless authorised prior to such service by Capnia.

THIS WARRANTY, TOGETHER WITH ANY OTHER EXPRESS WRITTEN WARRANTY THAT MAY BE ISSUED BY CAPNIA, IS THE SOLE AND EXCLUSIVE WARRANTY AS TO CAPNIA'S PRODUCTS, EXTENDS ONLY TO THE INITIAL PURCHASER AND IS EXPRESSLY IN LIEU OF ANY OTHER ORAL OR IMPLIED WARRANTIES INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. CAPNIA SHALL NOT BE LIABLE FOR ANY INCIDENTAL, SPECIAL OR CONSEQUENTIAL LOSS, DAMAGE OR EXPENSE (INCLUDING, WITHOUT LIMITATION, LOST PROFITS) DIRECTLY ARISING FROM THE SALE, INABILITY TO SELL, USE OR LOSS OF USE OF ANY PRODUCT.

**Press Release****Capnia Signs Exclusive Nationwide Distribution Agreement for CoSense®****Capnia and Bemes Enter Collaboration Targeting Hospitals and Physicians**

REDWOOD CITY, Calif., Jan. 26, 2016 (GLOBE NEWSWIRE) — Capnia, Inc. (NASDAQ:CAPN), a diversified healthcare company that develops innovative diagnostics, devices and therapeutics addressing unmet medical needs, today announced that it has entered into an exclusive distribution agreement with Bemes, Inc., a leading medical equipment Master Distributor, to market and distribute the CoSense® End-Tidal Carbon Monoxide (ETCO) Monitor and Precision Sampling Sets (PSS).

Under the terms of the agreement, effective January 26, 2016, Bemes will have the exclusive right for sales, marketing, distribution and field service activities for CoSense in the United States. Bemes and its network of sub distributors will allow comprehensive nationwide distribution of CoSense with 44 sales representatives covering virtually every state. Bemes has placed orders for multiple CoSense monitors, as well as corresponding supplies of PSS in conjunction with the execution of the agreement.

“Bemes is a leading medical equipment sales channel with a strong go-to market capability and extensive relationships with top-tier hospitals throughout the United States. Their substantial on-ground presence and experience in distribution to neonatology centers will be critical for accelerating adoption of CoSense®,” said Anish Bhatnagar, MD, Chief Executive Officer of Capnia. “For over a decade, the American Academy of Pediatrics (AAP) has recommended the use of ETCO measurement to confirm the presence or absence of hemolysis in neonates and CoSense is the only commercially available device that can achieve this. With a world-class sales team and a demonstrated record of success in sales and marketing of innovative medical equipment, Bemes is the ideal partner to drive the long-term growth of CoSense and we look forward to a successful collaboration.”

“This agreement with Capnia is a key step in our pursuit of new commercial opportunities for high-growth areas, like neonatology, that can leverage Bemes’ extensive distribution capabilities,” said Mark Spreitler, President, Bemes, Inc. “CoSense represents a leading-edge tool to help hospitals and physicians non-invasively detect hemolysis using a simple breath test at the bedside. We see significant clinical value in CoSense and we look forward to using our broad commercial capabilities to advance this important product.”

About Capnia

Capnia, Inc. is a diversified healthcare company that develops innovative diagnostics, devices and therapeutics addressing unmet medical needs. Capnia's lead commercial product, CoSense, is based on the Sensalyze™ Technology Platform. It is a portable, non-invasive device that rapidly and accurately measures carbon monoxide (CO) in exhaled breath. CoSense has 510(k) clearance for sale in the U.S. and has received CE Mark certification for sale in the European Union. CoSense is used for the monitoring of CO from internal sources (such as hemolysis, a dangerous condition in which red blood cells degrade rapidly), as well as external sources (such as CO poisoning and smoke inhalation). The initial target market is newborns with jaundice that are at risk for hemolysis, comprising approximately three million births in the U.S. and European Union. The Company's commercial, neonatology-focused product line also includes innovative pulmonary resuscitation solutions, including the NeoPIP™ Infant T-Piece Resuscitator and Universal T-Piece Circuit consumables. Capnia's proprietary therapeutic technology uses nasal, non-inhaled CO₂ and is being evaluated to treat the symptoms of allergies, as well as the trigeminally-mediated pain conditions such as cluster headache, trigeminal neuralgia and migraine.
