About Capnia

Capnia is a leading provider and developer of innovative healthcare products used for the screening, detection and treatment of medical conditions. Capnia's flagship products, Serenz® Allergy Relief and CoSense® ETCO Monitor, are based on its proprietary technologies, which utilize precision metering of gas flow. Capnia currently markets Serenz Allergy Relief in the UK and Ireland. The CoSense ETCO Monitor, which measures end-tidal carbon monoxide (ETCO) that can be used to detect hemolysis, and the Infant Solutions product line, including innovative pulmonary resuscitation devices for neonates and infants, are marketed globally. Capnia is also clinically evaluating its nasal, non-inhaled CO₂ technology to treat trigeminally-mediated pain conditions such as cluster headache and trigeminal neuralgia.
